ATTEND TO YOUR COLDS -A case of five years' anding cured by DR. KEYSER'S PECTORAL SYRUP. Privasungan, Jan. 11, 1800.

Du. Kuyer:—My wife has been afflicted with a bad cough and diffigulty of breathing, for five or six years, which, for several yearsback, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which every much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

MM. WILSON,
Alderman Fifth Ward.

Privateaus, Nov. 18, 1838.

Dr. Kryser :—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribe his to recommend your Pectoral Syrap. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold. vere cold.

I have been, more or less, in my life, affected with the severest of colds and hourseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for discusses so prevalent.

Yours, most respectfully,

EDWARD J. JONES.

Cashier Citizens' Deposit Bank.

I have used Dr. Reyser's Cough Syrup for a bad cough several years standing, and can cheerfully say it he best medicine for the same that I have ever taken.

COL. PRATT AND DR KEYSER'S PROTORAL SYRUP.—Dr. Kryara—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup scener. I take great pleasure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am consideration are not any cost. I am consideration are at liberty to use my name in this regard, as you think proper. E. F. PRATT. Messenger Common Council, Pittsburgh, Pa. Pittsburgh, May 11, 1859.

BEAD THE TRUTH.—Dr. Karisza: I have a daughter who has taken several medicines for a had cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was elieved. The second bottle cured her entirely of hough.

PITTERURGE, December, 31, 1853.

A GREAT CURE BY DR. KEYSER'S PROTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unshated until early in October. At that time I was satisfied to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the country. was entirely free from the conghing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for chers what it has done in my case.

JOHN C. LITTLE, Witness—B. M. KERR.

Peebles townhip.

PATTOR Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astorishment of all. What makes the case more remarkable, is the extreme age of the man, be being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

DR. KEYSER'S PECTORAL SYRUP IN PLAIRS VILLE.—Please sand me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Reyeer's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Fa., tell us they would not be without is in, their families. In fact, all who use it once want is again.

Yours, respectfully,

January 30, 1860.

ANOTHER NEW CERTIFICATE—DR. REYBER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so had was it that I could not sleep. I had the stivice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured fine entirely. Signed,

"STOP THAT OUGHING."—How can I do it? "Go to Reyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral," in a most stubborn case, with one of the most distressing, contrary, muliah, unsubdable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of tiring it out, but it was ne go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the steep, we coughed our way to Keyser's, 140 Wood fit—procureds fifty cent bottle of the "Pectoral;" took it according to directions, and inforty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an advarsary as Keyser's famous "Cough Pectoral."—Drowneedile Citipper, Dec. 14, 1859.

Battle Creek, Mich., Dec. 21st, 1858.

Prov. Woor: Thre wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps. Beither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bettle of thy Hair Restorntive, about the first of August last. I have faithfully followed the directions, and the hald spot is now covered with hair thick and black, though sheet, it is now covered with hair thick and black, though sheet, it has also coming in all over my heat. Woor: Dear Sir;—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced failing off very respectively. Battle Creek, Mich., Dec. 21st, 1858.

the year 1822, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced failing off very rapidity, so that in the short space of six months, the whole dipper part of my scalp was almost entirely herefy of its covering, and much of the remaining portion upon the side and bace part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, neceving no assurance from them that my hair would again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very roft black hair, which no money can buy.
